## Tips on Scent

### ➤ Buck Butter

When Using Buck Butter, After The Hunt, Sprinkle A Little Buck Butter In The Vicinity You Are Hunting  
Just Enough To Keep The Aroma In The Area. Setting You Up For The Next Hunt Proven To Be Effective.

- Good Times To Use Scents Are After A Rain, The Deer Are Looking To Re-Establish Communications.  
This Is A Fresh Start.
- Windy Days Scents Carry With Wind Further.
- Using Scent In Combinations Communicate To The Whitetail Differently. (Example: Buck Butter & Suicide  
Buck Is A Bedded Deer With An Estrous Doe. Suicide Buck With Buck Urine Equals A Buck Running A Doe. ETC.)
- Suicide Buck & Fatal Distraction Can Equal Two Different Estrous Does.
- Scents Work Extremely Well In Combination With Decoys, & Calls During The Rut.
- Keep Your Scent Close To Cover (Example: Downed Log Or Tree, Brush, Standing Tree)
- Always Wear Rubber Boots.
